A question was posed from the audience about the Parent Team's compliance with the State Open Meeting Law. The team is not aware of any past compliance issues. The MSA Board of Directors (BOD) will be meeting in the future to discuss the Parent Team's role and responsibilities going forward.

A question was posed from the audience regarding the platform that the Parent Team uses for communication, i.e., social media. The Parent Team uses Facebook to announce meetings but has not used any other social media in the past for Parent Team business.

The Parent Team has agreed to submit meeting notes to Christine Morrison after each meeting so that the MSA BOD can review them prior to the next scheduled BOD meeting. Christine Morrison will post the meeting notes on the Parent Team website.

The Parent Team will reconvene in August to discuss back-to-school related matters.
