Discussion:

Topic: Draft of Amended Student Dress Code

The purpose of the amended dress code was to make it easier to enforce and less discriminatory. The amended dress code is meant to be more gender neutral and also not favoring boys or girls. Much of the language of the amended dress code was adopted from the Evanston Township Illinois Dress Code and the Oregon NOW (National Organization of Women) Model Dress Code.

Teachers, parents, and students were in attendance to offer comments. Topics discussed included: Need for modesty

Girls seem to be dress coded more than boys
Determining what is considered inappropriate language on clothing
Gender objectification

Respect for different belief systems

Need to remove subjectivity regarding enforcement

Further review and discussions will be conducted regarding the the dress code.

A new dress code would not be implemented for students until the next school year.

The new dress code draft was based on the Evanston Township Illinois Dress Code and the Oregon NOW (National Organization of Women) Mode Dress Code. There have also been recent court rulings pertaining to dress codes in which First Amendment rights are balanced against dress codes that may be discriminatory in some fashion

a. Retro-pay/Stipend for a Staff Member

Discussion:

The error occured in 2013-2014 school year. The pay scale was not distributed that year. Board discussed the error and if there are any other teachers who would have this same

issue. It is unknown if there are others similar to this. The current pay scale is stated differently than it was at that time.

Motion to approve retro-pay for a Jeana Albers in the amount of \$4,460 for the 2013-2014 school year.

Moved by: Ken Thielman Second: Jeff Eng

Vote: 8-yes 0-no 0-abstain

The motion carries.

b. Motion to Revise MSA's Spanish Graduation Requirements

Motion to approve the revised MSA's Spanish Graduation Requirement to Spanish 4.

Moved by: Mona Hayashi Second: Jeff Eng

Discussion:

Board discussed the pros and cons of having the requirement to complete Spanish 5. There will be several students who do not have the requirement for graduations. At least a dozen students will fail Spanish and not be on track. The requirements as outlined will have exceptions to finishing the Spanish 5 level depending on when the student joined MSA. It also does not provide for time to make up any failed classes.

Century College will offer Spanish Intermediate 2022 class only in the spring and not offer it in fall. This would impact next year's juniors. Students could potentially be out of Spanish for 7 months before they take it in January and that is only if they pass the placement test. If they fail, then they will have to take Spanish in their senior year at MSA or PSEO.

Some board members felt that it is not a workable situation for students and the issues are unforeseen by the students.

One recommendation was to allow Spanish to be an elective in middle school and have high school require 2 or 3 years. The Spanish requirements to graduate should not be tied to middle school. MSA is setting mandated requirements that cannot be met.

Another recommendation was to not look at middle school and only look at the 9th grade progression. Or go back to the way it was with 3 years of Spanish. The student can test out at college.

Another recommendation was to require every student to pass a certain Spanish class or pass every Spanish class. There is an advantage to taking Spanish for 4 years. It rewards the students from middle school.

Other board members liked requiring 4 years of spanish class and to go through Spanish 5.

Board discussed what would happen if Spanish 5 was not required and how to fill in the gap. There are not enough electives to fill in, but Spanish 5 could be an elective, and it would also

bring out other interests from students. The important thing is the student's needs instead of requiring a class in order to keep positions filled.

Vote: Mona Hayashi and Jeff Eng - yes;

Ken Thielman, Lisa Anderson, Noah Langseth, Cheri Howe, and Ramesh Aki - no;

Judy Seeberger - abstain

The motion does not carry.
