5. Discussion and Decision
   a. Merger Update (Burggraaff / Vetsch)
      i. Discussion of Non-negotiable List from MSA

Discussion:
   ● Burggraaff presented the recommendations from the Merger Committee. Some items brought up in the meetings had been items that were also on WLA's non-negotiables list.
     ○ Sletten- suggestion to change verbiage from “keep MSA graduation requirements” to “maintain MSA graduation requirements” to support changes in curriculum currently being evaluated with the introduction of CIS and pathways programs. Burggraaff stated they used the verbiage due to following policies on graduation, as our graduation requirements are part of our charter.
     ○ Sletten suggested adding a non-negotiable: develop a strategic plan for facilities that is founded in data and supports the needs for all learners.
     ○ Joint exploratory committee would work on this item and due diligence.
     ○ Discussion on having a commitment to a merger for the 24/25 school year by October 2023 BOD meetings for both schools.
   ● List was renamed to "Items of Critical Importance" vs. naming it as "Non-Negotiables"
     ○ 24-25 school year added to the end of item 4.
     ○ Adding 102.2, 102.3 policies to item 2 of MSA's list of items.

Motion: Approve items of critical importance as amended.

b. Parent, Staff, and Student Satisfaction Survey Approval (Vetsch)
   i. Parent Satisfaction Survey
   ii. Student Satisfaction Survey
   iii. Staff Satisfaction Survey

Discussion:
Staff survey was added to the list. Vetsch provided an overview of how the survey will be administered through Skyward to ensure that the survey is anonymous and protected and ensures that one survey is done per person. Formatting may change the survey, but questions will remain. Rephrasing some staff questions to "work" versus "school" made.

Motion to approve the administering of surveys with the changes made.

c. 2023-24 Health Insurance Proposal (Vetsch)
   i. Group Benefits Kraus Anderson

Discussion:
   ● Vetsch provided a brief overview of the information presented at the last BOD meeting and the staff survey on the insurance plan options.
     ○ 36 staff responded to the insurance options survey.
     ○ 66.7%(24 respondents) for Medica, 22.2% (8 respondents) for Blue Cross Blue Shield, 11% (4 respondents) voted they were not intending to take insurance next year.
- 23-24’s insurance year will mirror the school year. Rates will “grandfather in” the school if we reach over 50 employees receiving benefits during this school year, as the school is currently receiving small group insurance rates.
- Concern raised by Sletten that the HSA plan is out of pocket higher than the deductible, and 14 staff members currently on that may choose to move to the Gold plan resulting in an overall higher expense for the school.

**Motion:** approve the staff recommended plan of Medica for 23-24

d. Public Forum Discussion

**Discussion:**
- Give more thought to how the public forum is managed.
  - Currently open forum is broadcast over the internet and potentially being used to speak to the community vs. the intended audience of the BOD
  - Does not want to see public forum become something that is speaking over the BOD to another audience
  - Comments made at open forum are to address the BOD
  - Move open forum to the beginning of the meetings
- Suggestion with the topic of merger for listening sessions about merger for community members to come speak to members of the BOD
  - inviting the community to participate in various school committee’s to ensure voices are heard and participation is had

**Motion:** Public forum be moved to the beginning of the agenda and not live-streamed
