707 TRANSPORTATION OF PUBLIC SCHOOL STUDENTS

I. PURPOSE

The purpose of this policy is to provide for the transportation of students consistent with the requirements of law.

II. GENERAL STATEMENT OF POLICY

MSA is located within the boundaries of District 833. As required by law, District 833 works with MSA to provide transportation to students who live within the boundaries of 833. Students residing outside of 833 must find alternative forms of transportation.

Please see District 833's Policy 707 for more information. Students living outside District 833 may contact district's transportation office for possible alternative options of transportation.
