Math & Science Academy

School Profile 2016-2017

Email: www.mnmsa.org

Phone: (651) 578-7507

School Day:

- 7 class periods as well as a block schedule on Thursdays and Fridays (including a study hall).
- 9:20 a.m.- 3:50 p.m.

Grades Served:

- 6th-12th grade
- A total of approximately 520 students

Average Class Size:

- 20-25 students

Staff:

- Approximately 50 staff
- Unlike many other public schools, MSA teachers are able to implement a program that they can control and for which they are accountable.

Admissions:

- MSA is a public school. It is open to any Minnesota student as a free public education. Registration is required.
- An application must be completed and submitted online for all prospective students in order to be considered.
- Once the open application period begins, you can apply online.
- MSA has waiting lists for most grades.

Graduation Requirements:

- ❖ English → 4 Years
- ❖ Social Studies → 4 Years
- ❖ Math → Sequence through Calculus I
- ❖ Science → Biology, Chemistry & Physics
- ❖ Spanish → 3 years of High School Spanish
- ❖ Fine Arts → 1 Year (2 semesters)
- ❖ Physical Education → Health & P.E. (1 semester each)

Why does MSA require Spanish?

- Because Spanish is the second most prevalent language used in the United States, we have chosen to emphasize its study. We want our students to become proficient in the use of this language.

ABOUT US:

The Math and Science Academy (MSA) is an innovative Charter School that is located in the City Center neighborhood of Woodbury, Minnesota. MSA is a tuition-free public school. It has a tradition of offering intense math and science experiences with the added distinction of providing creative and challenging opportunities in arts and humanities.

Students are held to high standards in their academic work and their behavior, and they are expected to self-advocate to achieve these expectations. The students are expected to act responsibly towards their classmates, their teachers, the school staff, MSA family members, and themselves. Our small school and small class sizes foster meaningful interaction among faculty, students, staff, and parents while promoting an atmosphere of self-advocacy, accountability, respect, and responsibility.

Average ACT Score from 2015-2016 Students:

Composite Score → 28.5
