

Health/Physical Education, 1.0 FTE, 8th and 9th grade

The Math and Science Academy of Woodbury, Minnesota, is seeking a full time Physical Education/Health teacher for the 2021-2022 school year. This position will teach our 9th grade Health Education and 8th and 9th grade Physical Education classes. Successful candidates should possess excellent teaching skills with a willingness to become a CPR Trainer. The closing date for this position is July 3rd, 2021.

Qualifications

Required: MN K-12 Physical Education license and 5-12 Health Education license, or the ability to obtain a waiver. MSA will support a teacher waiver for the most qualified candidate.

Preferred: Experience working in a multicultural learning environment with a commitment and passion for educational equity. Dedication to a goal of ensuring that all students have equal access to a rigorous college-preparatory curriculum.

The Math and Science Academy (MSA) of Woodbury, MSA has a growing, diverse student body that celebrates each person's ethnicity and culture. MSA offers a high level of faculty autonomy within a collaborative team. Classroom needs are well-funded and supported with the opportunity to seek both in-house and out-of-house professional development. MSA is a medium-sized, 6-12 school with over 500 students and we are looking at an enrollment model of a 4% increase per year. We offer equitable small class sizes in an academically challenging yet nurturing community which fosters MSA's [Vision and Mission](#).

MSA has been consistently ranked in the **top three high schools** in the state for the past ten years by U. S. News and World Report and Niche. Furthermore, U.S. News and World Report just ranked MSA 99th in the nation for the 2021 rankings. For the past five years MSA has had the top ACT Composite average score for all Minnesota schools. Additionally in 2020, MSA was recognized as the top Middle School in the state by Niche. Last year, 100% of MSA students graduated and for the past five years, 95% of MSA seniors have graduated. Over this same time period, 90-95% of seniors have attended post-secondary institutions. Furthermore, MSA has earned the recognition of a high-quality charter school from the Department of Education each of the past ten years. Please visit the school's website at <https://www.mnmsa.org/> to learn more about our school.

As a public charter school, MSA students experience a tuition free learning environment.

Salary based on education and experience. To apply please go to the [MSA Career page](#).
