

September, 2016

Dear MSA Family,

The YMCA has been pleased to partner with Math and Science Academy (MSA) over the past years.

The YMCA is excited to continue to partner with MSA with opportunities for students before school. We will once again be providing Before School Care onsite at MSA for students in grades 6-8 for the 2016-17 school year. Pre-registration is required. See MSA website for details or contact the YMCA in Woodbury.

We are also continuing to offer a discount of 30% off YOUTH or FAMILY Membership dues and NO enrollment fee to MSA families. Memberships for Youth with the discount are just \$26.60/month. To get started on your membership, **please bring in a copy of this letter** to the **YMCA in Woodbury**. You will then complete the needed application and financial forms to begin your membership. Don't forget, if students are YMCA Members, the Y is open BEFORE school for workouts and exercise activities with just a quick walk to school. **If you are a current YMCA member, please notify us so that we may apply any discounts for you as soon as possible.** We are able to offer the discount during the school year only (September – May).

NEW THIS YEAR: A YMCA Membership is required to have access to the Woodbury Y Youth Center and gymnasium after school. Youth may sign up for a single Youth membership or be part of a family membership. Also, youth actively involved in YMCA programs (ex. Leaders Club, Youth in Government, etc) through the Youth Center are eligible to receive a free youth membership as part of their participation. Youth programs do not meet daily, but do require a minimum of once/week participation – there is no charge to participate. YMCA programs are a great way to gain new skills, give back to the community and maybe just have some fun with friends. **The Youth Center will be open to youth members and those in YMCA programs beginning September 12th from 3pm-6pm.**

We are looking forward to another successful school year.

Sincerely,

Heidi Bardwell
Executive Director, Woodbury YMCA

Rigel Bloome
Youth/Outreach Director
